25th October, 1949.

SUNDERLAND.

35186,88 As recommended.

35190 "WALLSEND" . As recommended, except that I shall be glad if you will furnish your amended recommendations regarding the indented shell plating (p. and s.) in accordance with Circular No. 1895.

"ST.ELWYN". This vessel, Sir James Laing & Sons' Yard No. 731 was built to B.C. class in September, 1940 and has now been classed with Lloyd's Register. Boilers were constructed by Messrs. George Clark (1938) Ltd., of your port and I shall be glad if you will ascertain from them and let me know for record purposes the total heating surface of the superheaters in this case.
