

7th July, 1949.

Dear Sirs,

Steamer "ST. ELWYN".

S.

With reference to your letter to Mr. Turnbull on the 29th April last regarding this case, reports of surveys have now been received from Copenhagen and Antwerp, as a result of which a class of 100A1 is being assigned.

In the circumstances, it is felt that it would be preferable to retain in this Office the various documents forwarded by you, so that our records may be complete, and it is concluded you will have no objection to this course being followed.

Should you however, desire the plans and report books to be returned to you, perhaps you will kindly let me know.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
14, Blythswood Square,
GLASGOW. C.2.
