31 MAY 1949

Lloyd's Register of Shipping.

Port

COPENHAGEN.

16th May, 1949.

This is to Certify that I have

Surveyed the steel screw steamer "ST. ELWYN" 5200 tons gross of Newport Mon. while afloat in Svendborg harbour after stated to have been on ground at Taasinge on the 13th May.

will

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs

recommended by me have been completed to my satisfaction, and that I have Recommended that she be

continued as classed subject to bottom being specially examined (grounding) at next dry

docking and all other conditions attached to the vessel's class

being dealt with as previously recommended, the vessel

dry and perishable cargoes.

being fit to carry

S. Sandem

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
