Port COPENHAGEN

10th May, 1949.

This is to Certify that

G. Buchanan

the undersigned Surveyor to this Society did at the request of

the Owners attend on board M.V. "ST. ELWYN", 5200 gross tons of Newport, Mon, whilst lying afloat at Copenhagen on the 10th May 1949 to examine the four life boats and their equipment, the lifejackets, lifebuoys, lights, including electric and oil, the sound appliances, etc. carried on board to comply with the requirements for Life Saving Appliances and Light and Sound Signals.

The life saving appliances and the light and sound signals were found or put in good and efficient condition, and all recommendations made by me have been completed to my satisfaction.

*G. Buchanan*

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that: —  
„While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society“.
