Winterthur, 9th July, 1921.

LLOYD'S REGISTER
LONDON.
REC'D 11 JUL 1921
ANSO

Dear Sir,

I beg to enclose herewith Report N^o 11
covering two Auxiliary Diesel Engines, to be installed
in Messrs. Sir. W. & A. Armstrong Whitworth, No. N^o 984
Ship, which kindly forward to the Newcastle
Surveyors for their information.

Regarding these Engines they were completed
and dispatched from here without provisions being
made for fitting Safety Valves to the Cylinders, but I
am informed that this matter has now been put
in order.

A. Scott Esq.,
Secretary,
London.

I am, Dear Sir,
Yours faithfully,
W. S. Vallis
