

Lloyd's Register of Shipping,

95, Bothwell Street,

Glasgow, C.2. 16th October, 1940.

Dear Mr. Ward,

With reference to my First Entry Report forwarded yesterday on the steamer "BURNSIDE", I find that for the purposes of the notation in the Register Book I have reported the vessel as having 2 steel decks, but as she is a shelter deck with tonnage opening type this should read, 1 deck and shelter deck.

I shall therefore be glad if you will kindly amend my report to agree with the above.

With kind regards,

Yours sincerely,

T. R. McAlvina
