Dear Sir,

With reference to the Classification in this Society's Register Book of the steam trawler "ARGON", I beg to remind you that in accordance with the Society's Rules this vessel's boiler became due for survey at the end of October last, and I have to request that you will state, for the information of the Committee, what definite arrangements you propose making to have the survey carried out as it is now considerably overdue. I have also to request that you will let me know what steps you propose taking to hold the 2nd Special Survey N°2 which became due at the end of June last.

I am, Dear Sir,

Yours faithfully,

A. Holt
Secretary.
