Steam Trawler "ARGON".

QUESTION.

With reference to your letter of the 17th December last, I shall be glad to learn what arrangements the Owners now propose making to carry out the 2nd Special Survey No.2 and the Boiler Survey.

Scott

ANSWER.

Date:— March 21st, 1929.

This vessel has not yet arrived at Vancouver.

We have not been able to get in touch with the registered owners, and letters have been unanswered. The registered owner is an employee of a local concern engaged in rum-running off the Californian Coast, and I understand the "ARGON" is at present engaged in this business.
