27th September, 1907.

Gentlemen,

With reference to Newcastle report No. 53528 of survey held during construction on a boiler for the S.S. "ARGON" I have to request that you will forward to this Office the approved plan of the boiler, or in the event of its being a duplicate of a vessel already reported to state the name of the vessel and the number of the report.

I am, Gentlemen,

Your obedient servant,

Secretary.

The Surveyors,  
NEWCASTLE.
