

m/v. "Royal Daffodil"

A representative of the General S. N. Co. Ltd called to day & stated that the above vessel was originally built to their Ownership. Owing to some difficulty in obtaining the desired name, the vessel was ^{officially} registered as the property of the New Medway S. N. Co. Ltd. A further registration has since been taken out & the ownership of this vessel is now :- General S. N. Co. Ltd.
