71, Fenchurch Street, E.C. 3.

19th June, 1922.

Dear Sir,

I am duly in receipt of your letter of the 16th instant respecting the tonnage of the S.S. "WATERWAY" as recorded in Lloyd's Register Book and Supplements, and with regard thereto I beg to explain that the net tonnage, viz:- 453, was the Swedish measurement at the time the vessel was completed, but I have ascertained that this tonnage changed to 376.63 on her registration under the British Flag.

I am causing the necessary alteration to be made in the new edition of the Register Book and Supplements and am much obliged to you for calling my attention to the matter.

I am, Dear Sir,

Yours faithfully,

Secretary.

lados, Esq.,  
Dock Superintendent,  
North Eastern Railway,  
King George Dock,  
HULL.
