Dear Sir,

Dredger "W.D. ATLAS"

I am obliged to you for your letter of 4th instant and note your comments.

So far as the overdue Main Boiler Survey is concerned, it is noted that the survey was started at your port and it is concluded that it will be completed without fail before the ship leaves Sydney.

I am, however, writing to the Surveyors at that port on the subject.

Yours faithfully,

c.c.Sydney
