The Secretary,
LONDON.

1st February, 1966.

Dear Sir,

S.S. "W.D. ATLAS".

We thank you for your letter of the 19th January, 1966,
and your recommendations regarding the fitting of a relief
steering tackle.

The Owners state that the vessel is at present fully
occupied in dredging in order to complete her contract by
April, 1966, and the repairs and modifications to the steering
gear will be carried out then.

In view of the vessel's commitments the Owners request as
to whether the overdue Main Boiler and Steampipe Surveys may
also be deferred until this time.

Yours faithfully,
The Surveyors,

per
