QUESTION

Reference my Classing Letter dated 4th June, I shall be glad to learn what is the present position regarding the required General Examination, as the vessel has not so far been reported to this Office as under survey for this matter.

ANSWER

Date:— 9th November, 1965.

We have been in touch again with the Owners in Sydney, and are advised that this vessel is working in sheltered waters at Whyalla, and will be for some time. However, the question of the General Examination will be carried out in the near future.

The Whyalla Surveyor has been supplied with copies of the correspondence relevant to the case.
