Dear Sir,

C.
RNC/BJJS

I acknowledge the receipt of your letter of the 14th instant concerning certain vessels owned by the Mersey Docks & Harbour Board, and am much obliged to you for the information now furnished.

As suggested, a notation of "Laid up - Surveys overdue 9.62" will be recorded in the case of the "MERSEY ENGINEER" and this decision will be submitted to the General Committee in due course for confirmation with other similar instances.

You doubtless appreciate that it is not normal practice to assign such a notation until a year of grace for a Special Survey has expired, but the Deputy Chairman feels that this is quite the correct procedure in the present instance bearing in mind the fact that the ship may be offered for sale.

Yours faithfully,

Clerk to the
Classification Committee

The Secretary,
LIVERPOOL
