Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

1st April, 1947.

Dear Sir,

S.S. "CALUMET" (RMC).

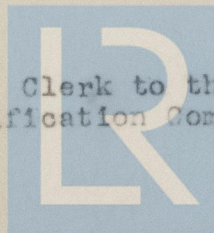

H.

I have to acquaint you that this vessel's RMC class was deleted with a thin black line on the occasion of the last Reprint of the Register Book, on account of the Refrigerating Installation not having been surveyed for a considerable time, as the vessel had not been engaged in the carriage of refrigerated cargoes. In view of the forthcoming Reprint I shall be glad if you will get into touch with the Owners and endeavour to ascertain their intentions as regards the use of the vessel for refrigerated cargoes in the future.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
LIVERPOOL.
