Reference

The Secretary.

Liverpool.

Dear Sir,

I herewith submit for the Committee's approval, a copy of specification & blue print of general arrangement of refrigerating plant to be made by the Liverpool Refrigeration Co. Ltd for the steamer 'Calumet', no. 22861 in the Register Book.

It is the owner's intention to have the installation built to classification, and they will forward a copy of the installation specification for approval, when the contract is placed.

I am, Dear Sir,

Yours faithfully,

S. Lorne.
