

WOKINGHAM COPY.

COPY OF LETTER RECEIVED FROM
NEW YORK OFFICE TO
BALTIMORE SURVEYORS.
September 1, 1944

Dear Sirs,

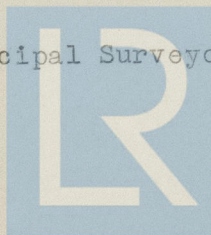

"FULGOR", "POZA RICA" and "LAVORO"

Referring to my letter of the 8th ultimo and Wokingham letter, dated the 26th July regarding the above named vessels, I have today been in touch with the Standard Oil Company of N.J., who inform me that the "LAVORO" and "POZA RICA" are now at your port. I understand the "LAVORO" is being prepared to go to the Bethlehem Shipbuilding Company's yard and that the "POZA RICA" is already at the Maryland Drydock plant. No doubt these cases are receiving the necessary attention.

I also understand that the "FULGOR" is due on this side during the present month and I shall endeavour to give you more definite particulars at a later date.

Yours very truly,

Principal Surveyor.
