NEW YORK.

AIR MAIL.

August, 8, 1944.

Dear Sir,

"FULGOR"  
"LAVARO"  
"POZA RICA".

I am in receipt of your letter of the 26th ultimo, supplementing your cablegram of the 25th ultimo in regard to the above mentioned vessels (the "FULGOR" being additional thereto).

I have contacted a Representative of the Standard Oil Company (N.J.) and am advised that the "LAVARO" and "POZA RICA" will probably be docking at Baltimore toward the end of this month but they are not able to say at which port the "FULGOR" can be surveyed. However, I will keep you advised.

I am, Dear Sir,  
Yours faithfully,

(Sgd). WM. BENNETT.

Principal Surveyor  
U.S.A. & CANADA.

The Secretary,  
WOKINGHAM.
