Dear Sir,

"LAVORO"
"POZARICA"

I wish to acknowledge receipt of your cable message of the 25th regarding the above named vessels, the contents of which have been noted.

I have been in touch with the Angle-Saxon representatives, the Standard Oil Company of New Jersey, who inform me that the vessels are likely to be available for the proposed survey about the end of next month, probably at Baltimore.

The Surveyors there are being apprized of your cable message meantime, and your further communication is awaited.

I am, Dear Sir,
Yours faithfully,

The Secretary,
LONDON.
