Dear Sirs,

S.

s.s. "FULGOR", m.s. "LAVORO" & m.s. "POZARICA"

I am in receipt of your letters of the 15th and 20th instant regarding the above named vessels, and as desired I have today had pleasure in cabling to the Society's New York Office requesting them to get in touch with the Standard Oil Company of New Jersey with a view to the requisite inspections for assignment of notation of "Classification contemplated" and issue of Loadline Certificates being carried out in the cases of the "LAVORO" and "POZARICA" on their arrival in the U.S.

With regard to the "FULGOR", I have sent the necessary instructions to the Surveyor at Gibraltar and am sending full particulars by letter to the New York Office.

I am, Dear Sirs,
