Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

Dear Mr. Sladden,

With reference to your memo. of the 6th instant on the subject of Anglo-Saxon Co's letter regarding three Italian tankers, I think it well to let you know that plans of the "POZARICA" were discovered. A representative of the Anglo-Saxon called here on Friday afternoon and borrowed a few of these plans for reference.

Yours sincerely,
