31st March, 1950.

Dear Sirs,

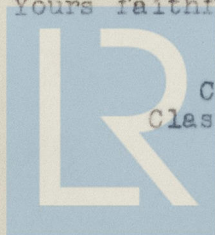

With reference to the entry in your Return of vessels under survey for the week ended the 10th ultimo relative to the Steam Trawler "HEINI HAVREKI", I have to acquaint you I am informed by the Surveyor at Thorshavn, Faroe Islands, that a new L.P. turbine is being fitted at your port. The Surveyor, however, does not state whether the Screwshaft Survey, which became due at the end of October last, is also receiving attention at this time and in the circumstances I shall be glad to learn whether this inspection is now being dealt with.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

KIEL.
