Dear Sirs,

Steamer "SEMIRAMIS I"

assn.(H)

I acknowledge your letter of the 23rd June enclosing a copy of one received by you from the Owners. It is noted the vessel is still laid up. No objection will be taken to the Screwshaft Survey being postponed for the present, it being concluded that this inspection will be dealt with when the ship is drydocked and the Main Boiler Survey held prior to her proceeding to sea.

Yours faithfully,

The Surveyors,
KOBE.

Clerk to the
Classification Committee.
