The Secretary,
Lloyd's Register of Shipping,
71 Fenchurch Street, E.C.3.

Recd 1.2.50

Dear Sir,

We believe that the engine maintenance of
our vessels would be more efficiently attended to if
they were all under continuous survey.

We should be obliged, therefore, if arrangements
could be made to keep them all under continuous survey
of oil engines.

Yours faithfully,

for METCALF MOTOR COASTERS LTD.

.....
Marine Superintendent.
