AIR LETTER

# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

26th April, 1949.

S  
Dear Sir,

I duly received your letter of the 19th instant respecting the steamer "TOKAR" and note the action you took in this case which was quite in order.

As the ship holds a B.C. load line certificate which does not expire until 1952, Mr. MacDonald was in order in carrying out not more than an Annual Load Line Survey, and there is no need for you to forward any report on the General Examination you made of the bottom.

Yours faithfully,

Clerk to the  
Classification Committee

C. R. Maplestone, Esq.,  
ALEXANDRIA.
