AIR LETTER

S  
Lloyd's Register of Shipping,

11th

71, Fenchurch Street, E.C.3.

Dear Sir,

11th April, 1949.

With reference to my letter of the 6th instant and subsequent exchange of cables in connection with the case of the "TOKAR", it seems obvious that the Owners is interested only in the annual endorsement of the load line certificate issued to him by the British Corporation.

It has therefore been generally agreed that this could best be done by their own Non-Exclusive Surveyor and instructions were accordingly cabled you to this effect.

Please let me know of any developments.

Yours faithfully,

Clerk to the  
Classification Committee

C. R. Maplestone, Esq.,  
ALEXANDRIA.
