Enclosures.

Dear Sir,

Steamer "TOKAR"

In confirmation of my cablegram to you today regarding this vessel, I enclose a copy of the correspondence which was sent you yesterday by ordinary mail.

It will be noted therefrom if any classification is granted it should be the re-instatement of 100A1, and it is concluded the case is now receiving your attention.

It is thought well to refer to the correspondence between our two Offices in November/December 1945 culminating in Mr. Bone's letter of the 31st December, 1945.

The official instructions regarding your relationship with the local British Corporation non-exclusive Surveyor are also enclosed.

Yours faithfully,

Clerk to the
Classification Committee.

C.R. Maplestone, Esq.,
ALEXANDRIA.
