16th March, 1914.

Dear Sirs,

I duly received your letter of the 11th instant relative to the survey which you have held on the steamer "BEA" ex "SORRENTO" with a view to the classification of this vessel in the Society's Register Book, and in reply to your enquiry, I have to acquaint you that the total amount which would have been chargeable under the Rules if this vessel had been built under Special Survey would have been £84:16s, and in the circumstances you should render an account to the Owners for 50% of this amount, say £42.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GRINSBY.
