The Secretary

L O N D O N .

S/S "REA" ex "SORRENTO"

Sir,

I beg to inform you our reports on the above vessel are being forwarded to-night.

The advices of test for ship material were received from Mr. Daniel Milberg, Christiania, and as these did not include the tests of the boiler steel Mr. Milberg was written to on the 2nd instant but the test sheets have not yet come to hand.

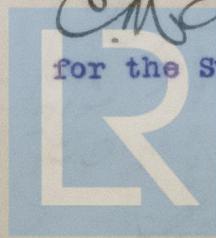

I have seen Mr. Giles Mills in the matter, and he states he has wired for the necessary papers.

Will you be good enough to inform us what fees are to be charged for the survey.

I am Sir

Your obedient Servant

Charles B. Marshall
for the Surveyors.
