Dear Sirs,

s.s. "STANVAC MANILA" RB 32129

We enclose herewith a letter dated 20th June which has been received from London regarding the above ship.

According to information so far obtained by this office, this ship sailed from Osaka for Keelung on the 18th June, but the Owners Agents could not confirm whether the ship will be scrapped or not upon arrival at Keelung, which was expected to be on or the 21st.

In the circumstances, we shall be obliged if you will kindly enquire <sup>into</sup> this and inform to London office accordingly, with a copy to this office for our records.

Your early attention to this matter would be appreciated.

Yours faithfully,

*Peter Hanson*
