The 2nd Special Survey No.1 became due in May, 1933, and the year of grace has been granted.

The Grimsby Surveyors now forward a letter they have received from the Owners stating that it is not their intention to proceed with the survey for maintenance of the vessel's class.

The Classing Committee had the case before them on Tuesday, 29th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners request.
