Ocean Chambers, Lowgate,

Hull, 3rd. May. 1917.

Reference

ENCL.

Dear sir,

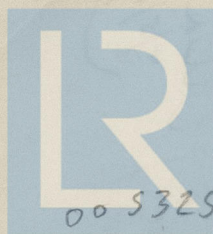

In reply to your classing letter of the 1st. instant, regarding Report No. 29920, "WAR GREY", I beg to state that the diameter of propellor viz;- 10'- 0", is correct as stated in my report. The propellor shaft has been made $7\frac{3}{4}$ " diam., to suit propellor. Enclosed please find letter from builders respecting same.

Yours faithfully,

Geo. Allan

The secretary,

LONDON. E.C.
