Two Enclosures.

21st June, 1929.

Dear Sir,

S. With reference to my letter of yesterday's date respecting the request which was received for the Classification Certificates of the steamer "RATA" (Glasgow report No. 49329), the same are now sent herewith, but I have to point out that the nominal horse-power of this vessel's engines should be 196 and not 161 as given on the report.

In these circumstances the Special Survey fee will be increased from £40.5.0. to £49.6.0., which you will find good enough to note.

I am, Dear Sir,

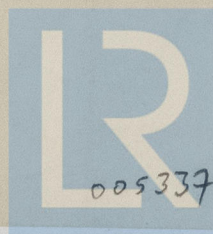

Yours faithfully,

Secretary.

The Secretary,

GL SGO. W.
