ANSD.....

Hull, 15th March, 1950.

Dear Mr. Sladden,

In reply to your verbal enquiry this morning concerning the "LEILA", the Load Line Certificate is issued on a Swedish ("Sverige Lloyd") form signed by Ossian Tybeck and is valid until the 17th August, 1954. Unfortunately we have'nt a note of the number or date of issue.

The vessel sailed from Immingham this morning for Seville.

With kindest regards,
Yours sincerely,

Pat
