The Secretary,
L O N D O N.

Sir,

In reply to the query contained in the classing letter of the 2nd inst, with reference to the S.S. "Scythia" (Barrow Report No. 1892) I beg to state that no tanks are arranged for the carriage of oil fuel as cargo only.

With regard to the requirements of Section 49 of the Rules, these were complied with as stated on the machinery report and I regret that a similar statement was not made on the hull report.

I am Sir,

Yours faithfully.
