

Lloyd's Register of Shipping.

201, Tower Building,

Liverpool, 24th February, 1931

Dear Mr. Watt,

We have received a letter from London today assigning new freeboard markings to the Cunarder "SCYTHIA". The 13'10" brings the "Scythia" in line with the "Samarina", but no reference is made to the endorsement which is on the Freeboard Certificate of the latter vessel.

I shall be glad if you will kindly advise if this mark 1'5" below the centre of disc should be marked on the "Scythia".

With kindest regards,

Yours faithfully,

Geo. L. Lyle

W. Watt, Esq.,

LONDON.
