GENOA

August, 1932.

"ASCENSIONE" I have to acknowledge the receipt of Mr. Turnbull's letter of the 2nd instant enclosing a translation of one received from the Owners in which they take exception to the Committee's decision to expunge the vessel's class with a red line and with regard thereto I may say that a letter was addressed to the Owners on the subject on the 28th ultimo conveying the Committee's decision and explaining that the action taken was in accordance with the usual practice in such cases.
