H

Dear Sir,

We have to acknowledge receipt of your letter of yesterday's date regarding the Turbo-Electric Tanker "TRESUS", and have to inform you that our Report on this vessel, No. 105706, has today been forwarded. You will observe therefrom that it is recommended the vessel be classed 100 A1 "Carrying Petroleum in Bulk" with notations S.S. Shl.10.48 and records LMC.10.48 and shafts seen 9.48 C.L.

RECEIVED

ANSD.....

We take this opportunity to refer to your letter 'S' of the 13th January, 1947 and shall be glad to learn what fees it is considered should be charged for the hull and machinery surveys now carried out. In this connection we would say that it is proposed to render an account for £8. 0. 0. for the Freeboard Survey carried out and covered by our Report No. C.27698, and that it is proposed to charge fees of £11. 0. 0. for the Boiler Survey, £3. 0. 0. for the Screwshaft Survey and 15 guineas for the Machinery Repair Survey.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.
