Dear Sir,

Reference

F

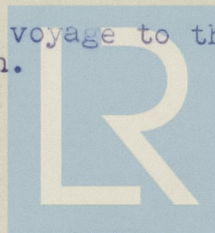

With reference to your letter of the 10th instant respecting the freeboard of the M.V. "GELLA" we have to inform you that it is not yet known when this vessel will sail under the Belgian Flag as it appears that although the vessel has been sold to Belgian Owners, the Swedish Government will not at present allow the vessel to be transferred to another nationality. It will therefore be necessary to issue a fresh Swedish Load Line Certificate for this vessel, which should be sent to the Gothenburg Surveyors for handing over to the vessel when she calls there.

Yours faithfully,  
The Surveyors,  
per.-

*H. B. Murray.*

P.S. The vessel is now on a voyage to the U.S.A. and will return direct to Sweden.

The Secretary,  
LONDON.
