Enclosures.

Dear Sirs,

I have to inform you that the Antwerp Surveyors have carried out a Renewal Survey on the Swedish M.V. "CELLA", and I accordingly enclose a copy of their Rpt. C.12 (a) and C.11 (d) for the information of the Authorities.

It is stated by the Surveyors that the vessel will be transferred to the Belgian flag at an early date, and as the present Swedish Certificates will not expire until next March, the issue of fresh Certificates is being held in abeyance.

Yours faithfully,

The Surveyors,
GOTHENBURG.
