Dear Sir,

M.V. PLATANI.

RE: OUTSTANDING RECOMMENDATIONS.

We acknowledge receipt of your letter of the 6th December in connection with the outstanding recommendations as detailed in your letter of the 19th September.

In reply, we regret to inform you that, owing to the present itinerary of the ship in question, and whilst she still continues to trade in small ports, with a very short stay in each, it has been impossible for Owners to have this work carried out, and we are unable to state when a suitable opportunity will occur. However, please rest assured that it has not been forgotten, and Owners will take advantage of the first suitable chance to carry out these recommendations. We trust that this will prove acceptable to your Committee.

yours faithfully,  
for N.J.Pateras Sons Ltd.,  
as Agents.
