Dear Sirs,

Steamer "MARISTRELLA"

Reverting to your letter of the 13th March and subsequent correspondence, I would acquaint you that a report has now been received from the La Spezia Surveyors of a survey held in April/May, from which it is noted the ship has been examined in drydock and the Main Boiler Survey held.

A satisfactory General Examination was also carried out at this time, and as a result of this inspection postponement of the Special Survey until April, 1960 has been approved by the Committee.

In the meantime fresh records of Docking Survey and Main Boiler Survey with a date of 5,59 have been assigned.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

Messrs. Chandris (England) Limited,  
5, St. Helen's Place,  
Bishopsgate,  
LONDON. E.C.3.
