QUESTION.

Reverting to my inquiry of the
and your reply of the 29th
st last, it is now understood
salvage operations have been
orarily suspended.
Will you please inquire and let
now when they are likely to be
med.

mg

ANSWER.

Date:— 10th November, 1952.

As a result of enquiries made
locally we learn that salvage opera-
tions have been suspended indefinitely.

The Owners have now arranged with
the Underwriters for settlement of
their claim for constructive total loss,
leaving the vessel as the property of
the Underwriters.

As the wreck is lying in a
navigable channel it is understood
arrangements must eventually be made
to clear it, but it unlikely that
this will be done before next spring.

This form is to be returned to the Secretary as soon as the information asked
for has been filled in.
