Tw.Sc.Steamer "RIO DOURO"

Before this case can receive consideration, and
in view of the fact that in similar cases the "Launching date" and
"date of completion" have been inserted in the Register Book,
the Glasgow Surveyors should be requested to obtain from the
Builders, Fairfield & Co.Ltd. their No.J.11725, the date
of launch and also confirm that the vessel was not completed
by them.
