DHKG/MAL Dear Sirs,

Steamer "SPETSAI PATRIOT"

Before your Report No. 15620 receives consideration I would revert to my letter of the 10th August last, and shall be glad to learn whether a General Examination of the machinery in accordance with Circular 1959 was carried out, as there is no mention of a General Examination in your Rpt. 9.

I would also point out that the Main Boiler Survey became due so long ago as August, 1959, and I shall be glad to receive, for the early information of the Committee, a definite date of completion from the Owners.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
TRIESTE.
