High Close, Wokingham, Berks.

14th October, 1942.

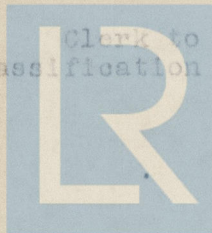

Dear Sirs,

I have to acquaint you I am advised by the Owners of the steamer "EMPIRE STOUR" that they desire the survey for deeper loading to be dealt with at your port. The case has accordingly been retained in this office, and provided you are satisfied with her condition the vessel will be eligible for deeper loading subject to locking bars being fitted to No.1 hatchway.

I shall be glad if you will attend to the case accordingly and at the same time I think it well to point out that the Annual and Line Survey will become due on the 8th December next.

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.
