Dear Sir,

Steam Tanker "SAIDJA"

I forward herewith a report of survey held on this Tanker at Singapore last March, together with the later correspondence that has taken place.

It will be noted from the copy of letter addressed to the Singapore Surveyors today that the Committee are unable to agree to the year of grace being granted in this instance, and it might be considered helpful if you were to take the case up with the Owners' Technical Department in Holland as it is thought they will readily see the reason for this decision.

I shall be obliged if you will kindly return the enclosed documents as soon as possible.

Yours faithfully,

Clerk to the
Classification Committee.

P.H. van der Weel, Esq.,
ROTTERDAM.
