

COPY OF AIR LETTER

LLOYD'S REGISTER OF SHIPPING

71, Fenchurch Street, London, E.C.3

3rd October, 1958.

Dear Sirs,

Classn(S)
RNC

Steam Tanker "SAIDJA"

I acknowledge your letter of the 23rd September, but regret to say in reply that the Committee do not consider they would be justified in agreeing to the year of grace in this instance.

The reason for this decision is that the drillings reported by you last March have now been under careful consideration, and the submission from the Technical Department here to the Committee is that in view of the condition of the ship as reported she is not eligible for the postponement desired.

In these circumstances it has been considered desirable to send the papers to the Principal Surveyor for Holland, so that he may inform the Technical Department of the Owners at his port of the reason for this decision.

Yours faithfully,

c.c. Rot.

Clerk to the
Classification Committee.

The Surveyors,
SINGAPORE.
