

Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne, 1.

1st September 1934.

The Secretary,
LONDON.

Dear Sir,

With reference to the steamer "HAI YUAN",
Messrs. Swan, Hunter & Wigham Richardson's Yard No. 1456,
now nearing completion, the Builders state it would be a
great convenience to them to have the Classification
Certificates before the vessel sails for China on 13th
instant.

We are, therefore, forwarding First Entry
Reports on the Hull and Machinery for this purpose. The
Electrical Report will be forwarded later when the
installation has been completed and tested.

The tonnages, registered dimensions and
official number when issued by the Board of Trade will
require to be inserted on the reports.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS,
